

Visitor Policy

Parents are welcome to visit Summit Academy classes; however, all visitors must check in at the main office and wear a visitor badge throughout their stay. Please return the visitor badge upon leaving. If you need to drop off an item to a student, please do so through the main desk and we will promptly get the item to the student. If you need to pick up your child early, please come to the main desk and we will go to the class get the child. Teachers have been instructed not to let any child leave unless a Summit staff person goes to get them. They will not be released to anyone, even the parent.

Students are not allowed to bring guests to The Summit Academy, for several reasons. Many of our classes are full; teachers prepare for students on their roster. In addition, we usually have no contact, health or emergency information for the visiting child. In the spring we generally host an open house to allow prospective students to observe classes briefly; however, apart from that visiting children are not allowed.
